KIDS COUNT in Delaware is seeking photographs of Delaware children to use in our publications and products. We prefer to use photos that friends of KIDS COUNT in Delaware send us, showing Delaware children in settings representative of our state. We’d also love to highlight some of Delaware’s great nonprofits and direct service providers in the community. If you have photos of kids participating in your events or programs and you have permission to share and use those photos publically, please send them our way! If you would like to submit photos for consideration, please email them to:
